

Mary Campbell McQueen
President

Dear Court Leader,

The National Center for State Courts (NCSC) was founded in 1971 at the urging of the late Chief Justice of the United States Warren E. Burger. For more than 50 years, the NCSC's mission has remained consistent: improving the administration of justice through leadership, research, education, technology and consulting services.

Every other year, NCSC sponsors the eCourts conference, which is designed to improve court efficiencies and effectiveness by educating court professionals about the latest breakthroughs and best practices in court technology. This year, **eCourts is being held in Las Vegas, Nevada, December 9-11**. We expect the conference to draw more than 750 national and international participants. eCourts also showcases one of the highest quality court technology exhibit shows available.

eCourts provides judges, court administrators, court managers, technologists and others, with two and a half days of professional development, education sessions, and networking. Here's how one attendee explained the eCourts' value:

"This is the most productive conference that I have ever attended. This is probably due to relevance of the sessions to our project and we also see where technology is headed." NCSC is the only national court organization dedicated to helping the justice system use technology to improve services, reduce costs, and increase accountability. We understand that to attend eCourts 2024, your court professional will need financial support and time away from the office to gain the education, resources and networking necessary to successfully fulfill their duties.

Average costs for eCourts 2024 include:

- Registration – \$800, limited space and payment must be received prior to the conference
- Hotel – hotel rates are \$122 plus \$32 resort fee single/double plus tax per night
- Meals & Incidental Expenses – Federal Govt. per diem, Las Vegas \$69 per day (through Sept. 2024)

This educational opportunity is uniquely designed for court professionals. I encourage you to provide support so your staff can develop skills that will enhance your court.

Regards,

Mary C. McQueen
